**Country** Philippines

**School:** College of the Immaculate Conception

**Hobbies:**

One of my hobbies is making dishes browsing through the internet to get an idea how to cook new dishes from different countries. Watching English movies is also in my list through that it helps me broaden my English vocabulary word.

My name is Frances Joy Caventa, 29 years old, from Talavera Nueva Ecija. I am a former Posting Clerk one of the branches in YAMAHA here in the Philippines. I' ve been teaching for almost 3 years from now. I love to see my students learning step by step and yet enjoying our class I make our lesson as easy as possible to keep their interest in our lesson.
